

Home-work Policy

As per School's policy Home work is viewed as an opportunity to practice the topics or contents student learn in class room. The Homework is designed to help the children to increase their knowledge and foster learning.

- ❖ Homework is planned considering home obligations of a child and extra-curricular activities.
- ❖ The Home assignments offer a wide range of opportunities for parents to Engage in their children's learning.
- ❖ The Homework includes independent reading assignments projects and research etc. No new work is given as home-work.
- ❖ It is extended class work projects practicing of class concept or gathering of extra information or material on the topic learnt in class.
- ❖ Subject wise homework days are fixed to regulate the academic load of a child.

We believe :

- ❖ It reinforces skills which have been taught in school and gives children the opportunity to practice what they have learnt;
- ❖ It encourages self-discipline as the children take responsibility for their learning;
- ❖ It promotes independent learning;
- ❖ It provides teacher with the opportunity to support individual child;
- ❖ It encourages children to share their learning with parents and siblings.
